## **3.2 Square Miles of LaPorte Qualify for Enterprise Zone Tax Incentives**

Effective January 1, 2002, an area of LaPorte was approved for the enterprise zone tax incentives. These tax incentives for LaPorte residents, who live and work in a specified enterprise zone area, will be claimed on the individual returns filed for 2002 tax year, which are due April 15, 2003.

Information on the specific incentives is available from the Indiana Department of Revenue. Information Bulletin #66 explains the enterprise zone features in detail.

The Indiana Department of Revenue web site at [www.IN.gov/dor](http://www.IN.gov/dor) has the Information Bulletin as well as a map of the enterprise zone.

Individuals should contact their employer if they lived and worked in an enterprise zone during 2002.

LaPorte was omitted in the enterprise zone listing provided in the 2002 IT-40 Indiana tax booklet.
